ALOHA

WELCOME TO MCHS!

MCHS welcomed three foreign exchange students in the 1986-87 school year, Alex Dymmer - Stockholm, Sweden; Stefan Eklof - Gothenburg, Sweden; and Stephanie Tschigg from West Germany.

When asked about fashion differences between the countries, all three said that clothes were pretty similar. Alex had one exception, he said that the price for a pair of jeans in Sweden is \$50, so they've been doing a lot of shopping!

The same movies & songs are popular in the three countries but the wording is a little different in some of them. For example, "The Return from the Future" in Sweden is translated "Back to the Future" in English.

The main difference between U.S. and foreign school systems is that in the U.S. the students choose different classes every year and have

different people in every class. While, in the other countries, a child chooses a career at a very young age and is trained throughout his school life for only that one career.

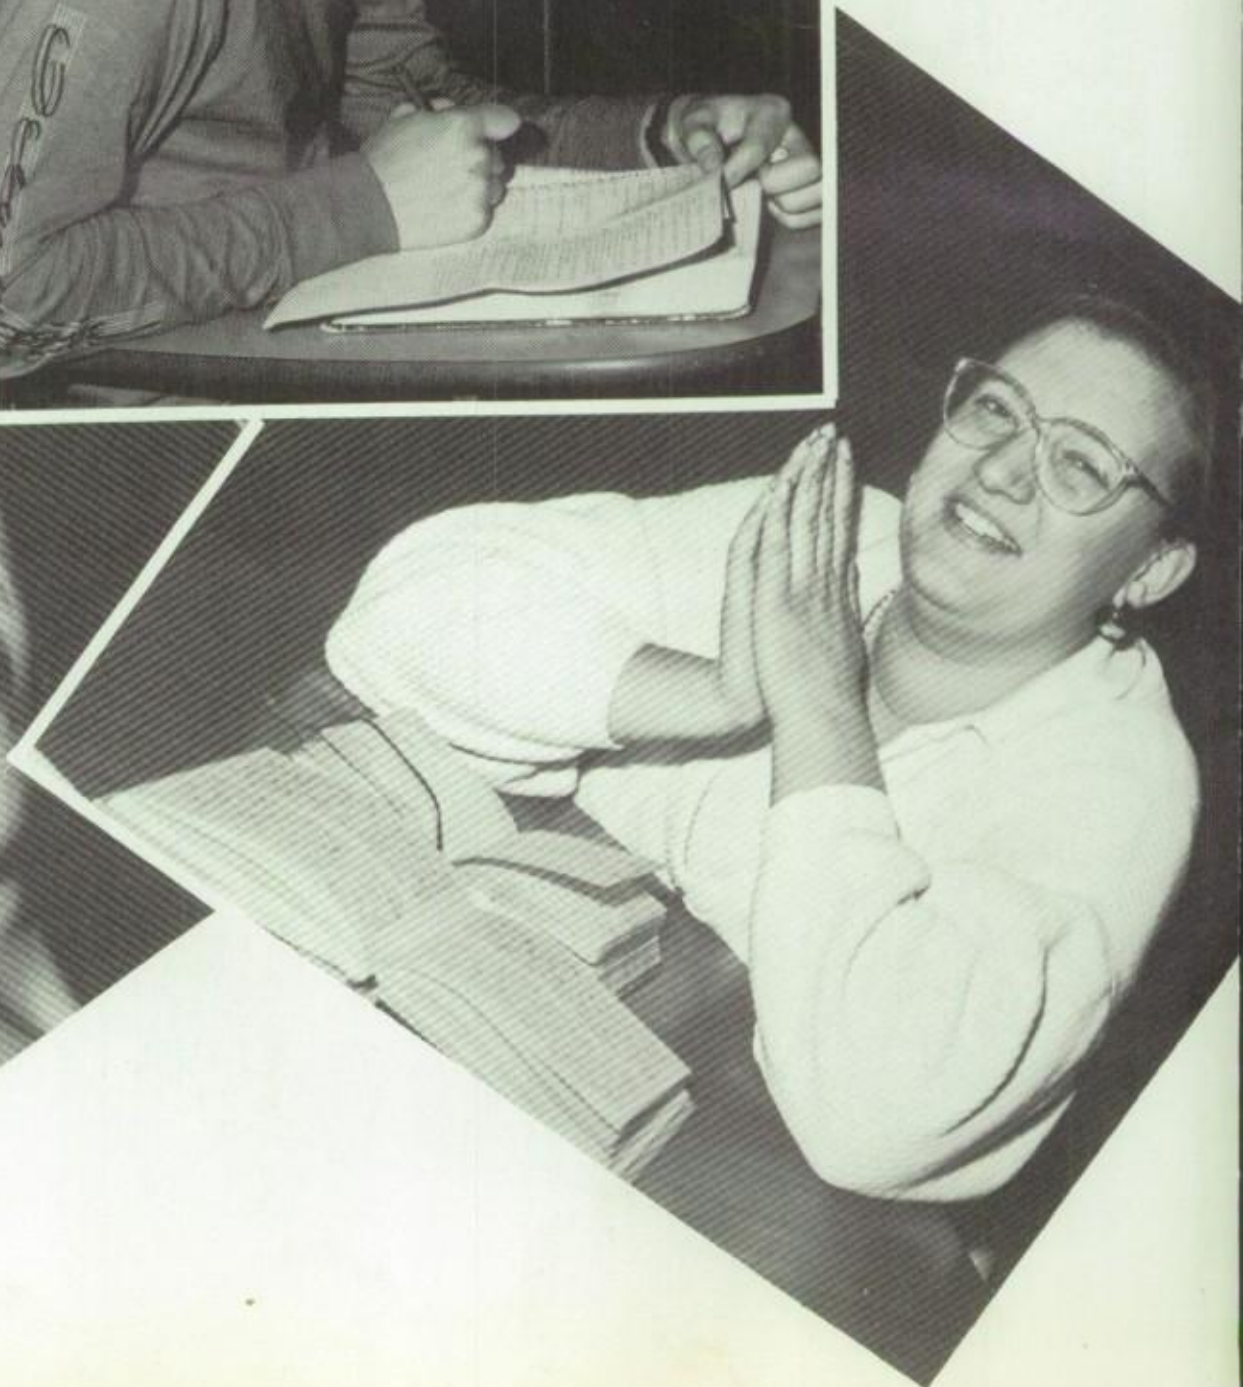

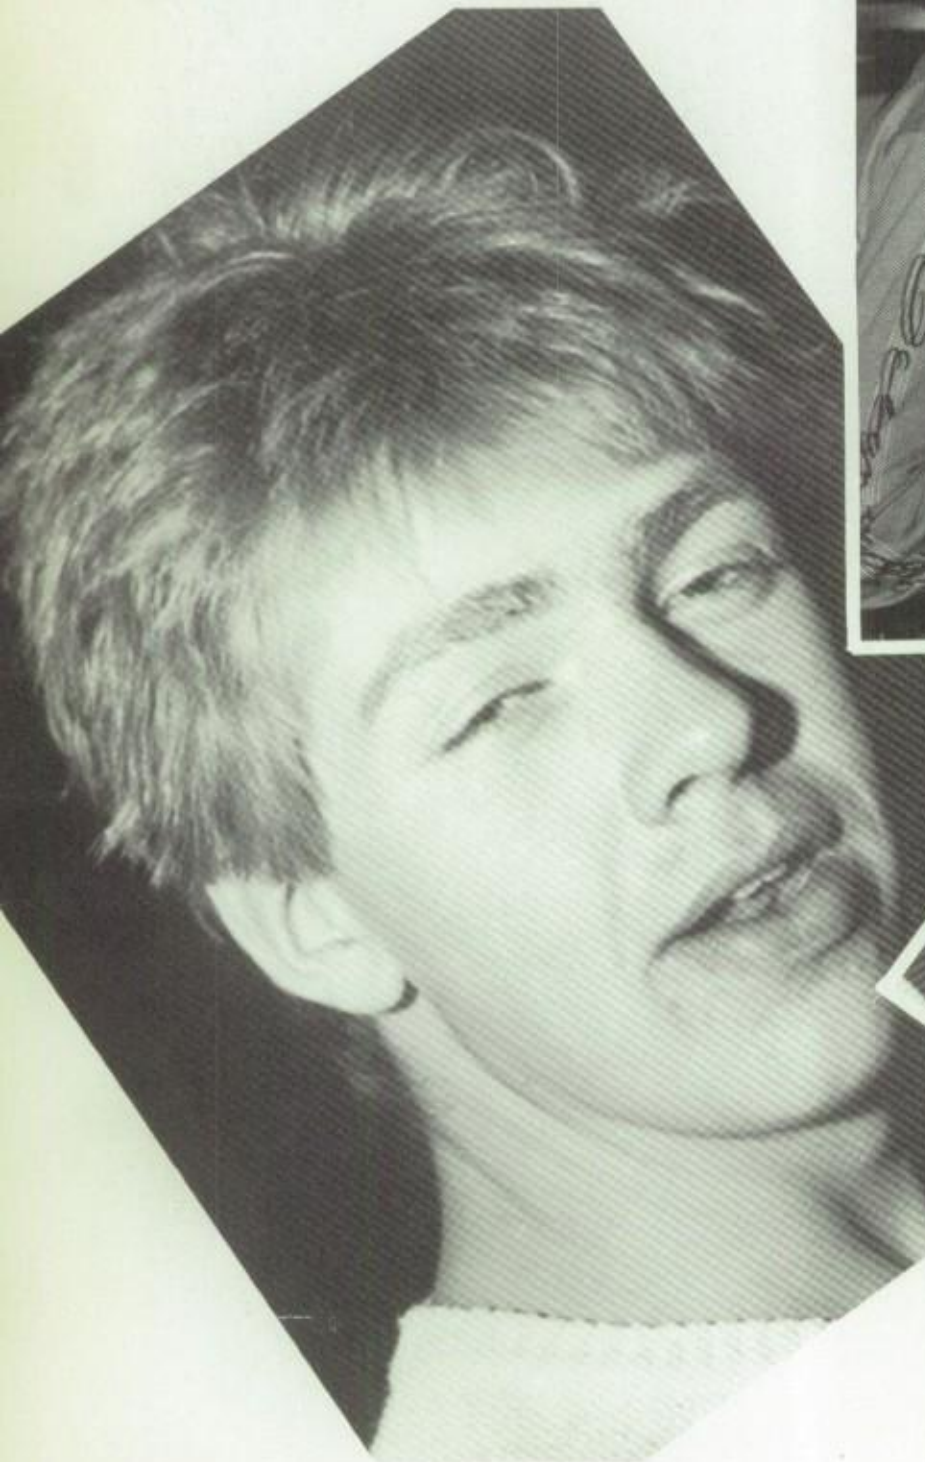

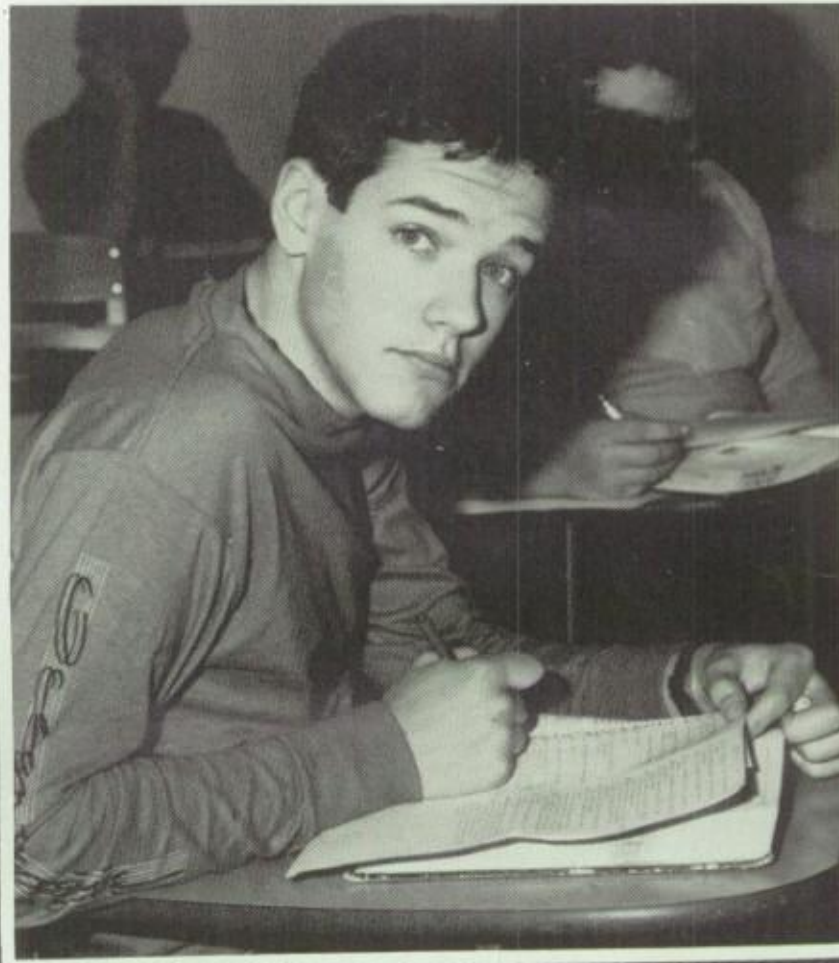

Another big difference is that a person has to be 18-yrs. old to obtain a driver's license in Sweden or Germany. Also, Germany and Sweden have no speed limits!

All three students were active in school organizations. They were constantly learning new things and also teaching the MCHS students a thing or two!

Pictured are foreign exchange students Stefan E., Stephanie T., & Alex D.

photo by Kevin Crosby

HANGOUTS!

Before school, after school, weekends, or any time you feel like it: hanging out. Before school teenagers go to the local donut shop or quick-stop to grab a cola and maybe something to munch on. Most of the kids just get a cola, they need the caffeine to wake them up just as adults drink coffee. These people are labeled "caffeine fiends".

The same thing happens after school, but at different places. Teens inhabit the Dairy Queen and Sham's. They usually just sat around talking with their friends and drink more caffeine colas.

The weekends were a totally different scene. Cruising in Joplin and catching a movie, or going to the mall, was one of the more exciting things to do. The square in

Neosho was also a very popular place for teenagers to hang-out and meet "new people". As before, a cola is usually in many of the teens' hands. Whether they get a pop to drink or just to hold, (you know, something to do with your hands while talking to a "new friend"), it's a tradition to have a lot of pop at a hang-out.

For a little less exciting evening there was the local movie theater, The Flick. After the movie, everyone crowds to either the Dairy Queen or Sham's. A pizza, hamburger, or an order of fries are the usuals to eat, and of course they are accompanied by a cool caffeine drink.

Let's face it, you just can't hangout without caffeine!

Monica spends all of her time and money at the mall.

Ice cream is Renee's best friend!

Lindsay and Denise share the day's experiences with each other.

"Hey! We're D.Q. Candid Camera!"

When you think of people collecting items for hobbies you usually think of them collecting such things as stamps. You might find that Carla and Lesa Davis of Anderson, MO. will disagree with you on the topic though. Their family collects animals as a hobby.

This hobby got started by their mom, Sharon Davis, who loves animals. They have collected about seventeen different kinds of animals. Some of them include: monkeys, llamas, ostriches, bobcats, deer, a zebra, a kangaroo, and yes, even a bear!

Carla's favorite animal is Mr. T (an ape) who they sometimes bathe and dress up in clothes.

You just might say that the Davis' have their very own mini zoo!

The bear seems to like Lesa's leg.

Carla feeds a llama.

Mr. T, an ape, poses for the camera in his overalls.

One of the many ostriches owned by the Davis family.

All photos by Crystal Mann.

LADY STANGS QUALIFY FOR STATE

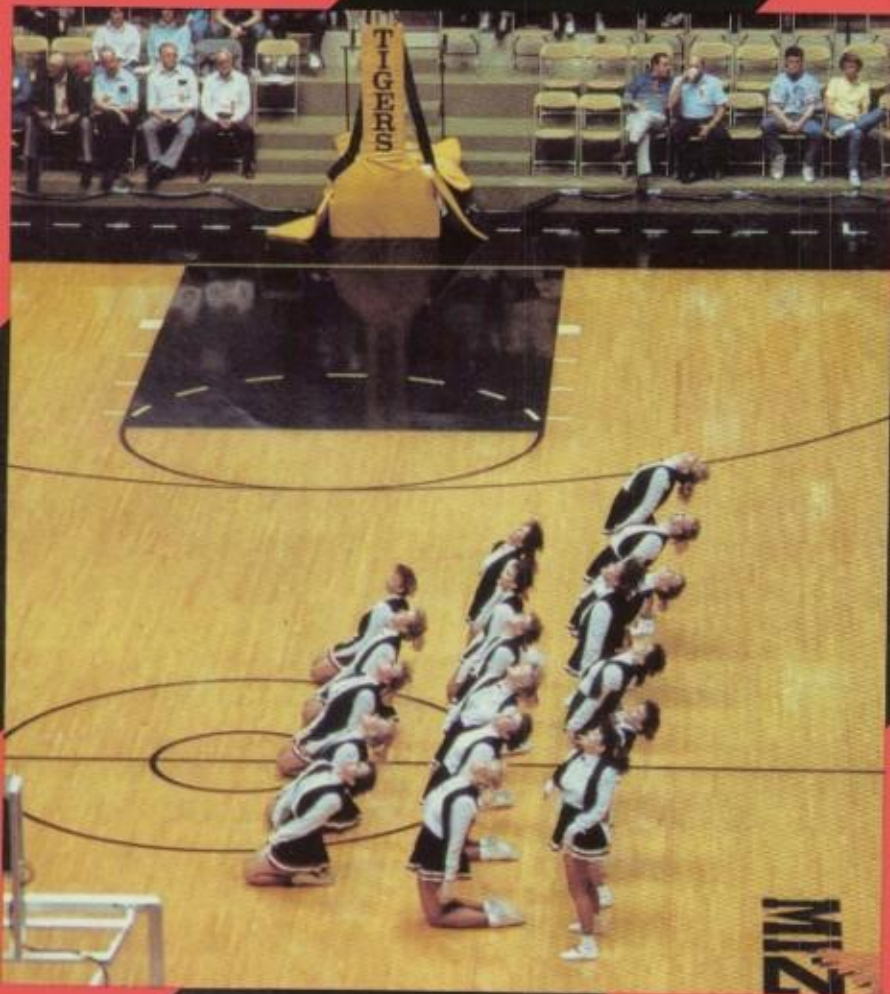

Winning districts was the team goal for the Lady Mustangs this year. They went beyond that though, through regionals & sectionals up to the state tournament. The Missouri Show Me Show Down State Playoffs.

The Ladies placed 4th in the state tournament and felt very proud to represent MCHS. Thanks to the booster club, KURM radio,

parents, & other contributors. They traveled on a chartered bus, stayed in a motel for three nights, and were able to eat in good restaurants.

"Being in the Final-4-a perfect way to end the season!"

FASHION

What are the fashion trends this year? Members of the yearbook and publications staff decided to find out. Crystal Mann, Lisa Brewer, Missy Hines, Denise Schell, and Stacy Grissom went to the Northpark Mall to see what was "in". Their first stop was at MAURICES where jeans dresses, stretch pants, overalls, western attire, and the MAURICES signature sweatshirt were all the rage. Tea length formals were also "big". The next stop on the fashion tour was at FASHION CONSPIRACY where the staff modeled swimsuits and the new short-short formals for those great parties. Crystal gave us the sophisticated look with a sweater skirt and top. Next the staff decided to take a look at the new part of the mall and the BRASS BUCKLE. The employees of BRASS BUCKLE were very helpful and found the girls flowery dresses, shorts sets, jean jackets and miniskirts to try on.

The girls last stop on their adventure was the PARIS. Sequined dresses, long jean coats, and hats were modeled at this store. All in all the girls had a great time and tried on some of the most fashionable clothes.

CONGRATULATIONS GRADUATES

All photos by Ace Moreland

The graduates laugh at one of Mr. Spoon-hour's stories.

Mr. Aumbaugh and Mr. Johnson lead the way to the football field.

Kim Hanke receives her diploma.

Dill, Trevin Granger, and Josh Lemm. Our instruments consisted of one Casio MT 36 keyboard, a four-piece Ludwig Jazz trap set, one harmony ball guitar, and a Lotus lead guitar.

We worked pretty hard for a summer and then our freshman year, however, to some of us, other things were more important. Our motto was "If your gonna make it, you have to love it." We didn't make it. We had some fights within the band and eventually broke up.

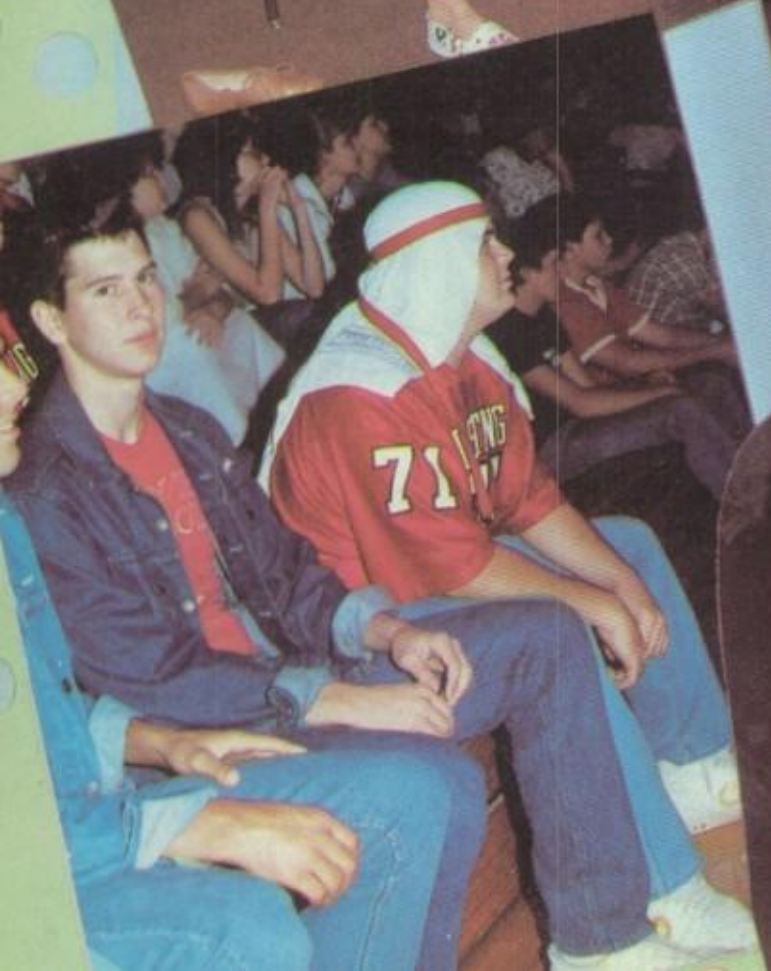

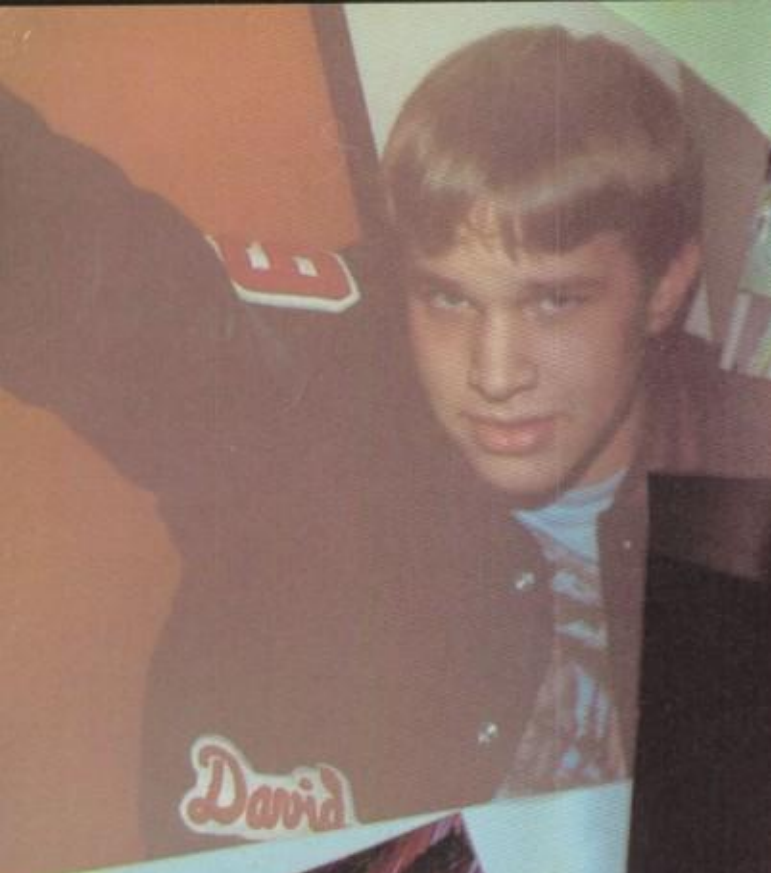

Darrin Browers joined us as a bass player and vocalist.

by Jason Dill

[illegible]

Charles Spoonhour, former coach at

The graduates each took home a special T-shirt and beach towel as a souvenir. But, more importantly, they took with them many wonderful memories.

*"Hang on to your
memories"
by Denise Schell*

*Spring has come,
the end is near.
The end, that is,
of your senior year.*

*You've had fun times
and sad ones, too.
There may be many
or only a few.*

*You may think,
what an adult you are.
But the child in you
is never far.*

*A mixed up time,
those high school years.
One moment is happiness,
the next is tears.*

*The "puppy loves,"
the high school friends.
The fashions, fads,
and new wave trends.*

*But when you grow old,
feeble and gray,
Remember a short phrase
that your mother would say
"Hang on to your Memories"*

EMPIRE HONOR Students

Four students from McDonald County High School were honored March 12 at the twenty-seventh annual series of Honor Student Conferences sponsored by the Empire District Electric Company of Joplin, Missouri. The conferences are held at the Joplin Holiday Inn. These students were chosen by their respective schools for their academic attainment and accomplishments during their high school career. Pictured are: Virginia McKenzie, Kevin Crosby, David Ray, Michelle Mitchell, Winifred Davis.

"Midnight"

"Midnight Masquerade" was the theme for the 1987 Junior-Senior Prom. The gym was decorated in streamers and balloons and the backdrop was a frenzy of masks. The night was full of mystery. Everyone came to the prom in formal wear and one guy was even decked out in a top hat and cane. Many girls came in party masks and one couple arrived by horse and buggy. The night started out as usual with pictures being taken. People were running about here and there talking about how much fun they were going to have. At 8:00 the ceremony started. Dusty Morris invited the seniors to have a great time at the Prom and Myli Taylor thanked the Junior class for all the hard work they put into the Prom. After this the wills and prophecies were read. Then the big moment arrived: the crowning of the King and Queen. Rhonda Jackson and Duane Jones received this esteemed honor. The dance then began. Everybody put on the boogying shoes and took to the dance floor. In between dances people quenched their thirst and ate. The evening was one that had no one will soon forget.

Myli Taylor, president of the Senior class, thanks the junior class for the Prom and all their hard work.

Denise Schell and Anne Brock pose in their masks for the camera.

MCHS comes out Winner in the End

Winners in the end. Just exactly what does that mean? That means a person or team who does not come out on top the first time they do something but keeps on trying will eventually come out on top in the end.

The MCHS football team lost 32 consecutive games, but didn't give up? As a result of their determination, they beat Nevada 14-13. That was a great victory for all of us here at MCHS and all over McDonald County.

The rest of the year was not so successful. The team had a 1-9 season, winning only the game against Nevada. Even though the record was not a success, the team gave it all they had. As Coach Wade put it, "The McDonald Co. high school football team of 1986 gained the respect of each of their opponents, and in so doing, gained self respect. I am very proud to have worked with this fine group of athletes."

"I have never been associated with a group of young men who tried any harder to perform as well as they could possibly perform."

The Lady Mustangs had a great season in volleyball this year! They won first place in the districts and tri-champed the conference. In the district playoffs the Mustangs beat Carthage after Carthage had beaten them twice in regular season play. On top of the team effort, individual awards were given to several players. Myli Taylor, Debbie Brooks, and Shanna Greene, made 1st team all conference pick. Myli Taylor also made all-Area and All-District pick.

'A COUNTRY MOMENT'

The 1986 football homecoming was held on October 10. The theme, "A Country Moment", was shared by many. The school spirit could be seen by looking at the students who dressed in country-western fashion complete with cowboy boots, hats, & red bandanas. The evening began as the homecoming candidates and attendants were escorted onto the football field. The "Moment" came as Winifred Davis was crowned the '86 football homecoming queen by David Ray & Shane Haddock, two senior varsity players.

Half-time entertainment was provided by the Mustang Band playing "Toronado", "Turtle", and "Topsy". The Scarlet Spurs also performed at half-time with a high-kick routine to "Open Your Heart" by Madonna.

The game ended with a score of 21-0, as the Mustangs were defeated by Berryville.

Though the game was over the night was young as MCHS students danced until midnight with Mike Chase from K-106 as the D.J. for the homecoming dance. As the last song the "Country Moment" was played only a memory would be cherished, especially by Winifred Davis.

VARSITY '87

For eight of the seniors the ending of the basketball season meant the ending of something that had become almost as natural as getting up in the morning. As these eight seniors leave behind the high school basketball court, they also stop and remember the good times they had. What the varsity team might remember most is the pride in winning the Mustang Classic or the long-awaited victory over the Webb City Cardinals at districts. But to all of the graduating seniors the most memorable times might be the friendship and the togetherness associated with being a part of a team.

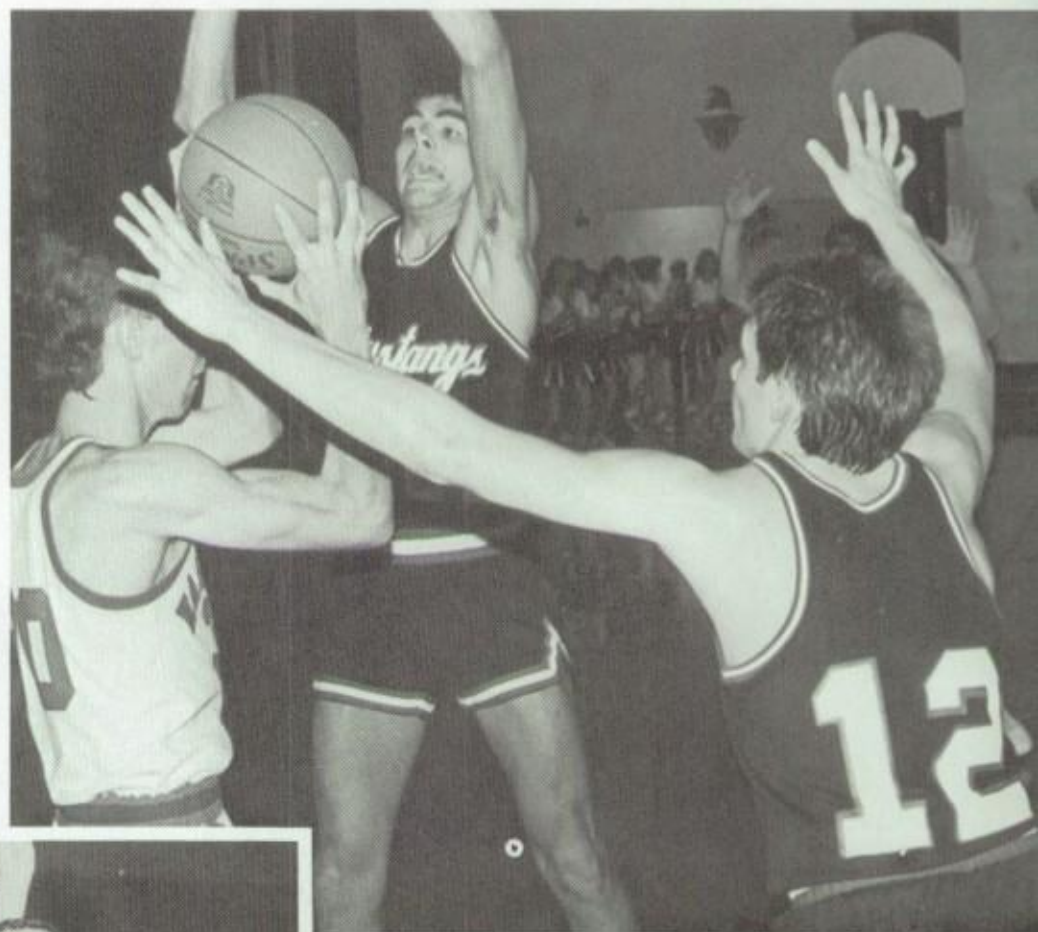

photo courtesy Anderson Graphic

This year's varsity team consisted of (front row, l to r) Shane Haddock, David Ray, Daniel Lett, Duane Jones, Jeff Townsend, (2nd row) Matt Rasband, Billy Bright, Richard Stephens, Kevin Vancuren, Shane Reece, Kirk Harper, Daniel Lett, and Stan Harmon. Not pictured: Ronnie Woods.

Jeff Townsend and Shane Haddock guard the basket against the East Newton Patriots.

The proud Mustangs take first in their own tournament.

The j.v. and frosh. teams aren't always given all of the credit they deserve. They work just as hard as the varsity team and deserve some of the limelight.

The freshmen start out the year with high hopes, enthusiasm, and a lot of energy to burn. They are playing with guys from different schools and it takes a while for everyone to get used to each other. The first few games are a little rough but they finally get-it-together and make Mac County proud.

The junior varsity team is in kind of an awkward spot. It's just between frosh. and varsity, and they aren't just playing with guys their own age anymore, they could be sophomores or juniors. Then there are a few who are good enough to dress-out for the varsity team. This is a real privilege. Coach Riffell said that the junior varsity spent most of their time for their own practice.

But the j.v. members are always out on the court giving their best to win for M.C.H.S. and doing a fine job of it.

GO LADY

The Lady Mustangs started the year with many new faces. They were eager to put their talents to good use. Long hours of practice and the more experience of the four seniors, proved to make a winning combination.

The varsity girls, after a challenging season, took their talents to the state level to compete in the 3-A championships. They prided Mac County by bringing home the fourth place trophy to finish off a terrific season.

"LET THE GOOD

"Let the Good Times Roll" was the theme for the 1987 basketball homecoming which was held January 30. After the J.V. game the ceremony began. Amy Manning, Debbi Brooks, and Rhonda Wallain were the senior candidates. Lisa Wallain was the junior attendant, Tammy Whitehill was sophomore attendant, and Ann Marie Gardner was the freshman attendant. After all the candidates were escorted out by the varsity basketball players, Jeff Townsend crowned Amy Manning and gave her the ceremonial kiss.

The Mustangs then geared up for their game against Monett. The Mustangs were ready to go and the game was all theirs. The homecoming dance followed the game. Disc Jockey Mike Chase from K-106 got into the 50's theme by playing some 50's music along with the usual pop music. Overall the night was a great success and a lot of fun.

McDonald Co. took on Monett and won 70 to 51.

The cheerleaders get into the mood of homecoming by lip-syncing the theme song *Lost in the 50's tonight* at the pep rally.

Amy Manning was crowned homecoming queen.

Kelly Daigle flies through the air for a special homecoming cheer.

"Are you serious?"
"Really!" was Amy's reply when told she had been chosen homecoming candidate.

RUN RUN RUN RUN RUN

TRACK

The season started out with much practice and determination on the part of the runners. The guys and girls participated in many track meets and had successful season.

The team went to districts and many people were able to go on to sectionals. Mike Burkholder and Phil Renner qualified to go on to sectionals. The girls 800 meter relay team and the 1600 meter relay team won their meets and went on to sectionals. Tanya Sherman and Machel Stoker also placed and went on to sectionals. The team had a lot to be proud of.

Sarah Mann and Coach Reynolds watch the meet attentively.

GOLF

The M.C.H.S. golf team began its practices in the spring. They traveled to Noel's golf course after school for practice. Most of their matches were held on Mondays and Thursdays at 4:00 P.M.

A Conference Tournament was held on April 27, at Nevada, MO. There were three matches played with a total of twenty-seven holes. Some of the teams they played against were Joplin, Neosho, and Carthage.

Billy Bright was McDonald County's outstanding player with an average of 39.

Mr. Perry had a few comments on this year's season, "They all competed to the best of their ability. We are very proud of their efforts and next year look forward to a better year as a team."

FLORIDA BOUND!

The 1986-87 MCHS Varsity Cheerleaders had a very busy year. From the day after tryouts they had one main goal they wanted to achieve. By practicing throughout the summer every morning 7:00 to 10:00 a.m. they were able to become an award winning squad. While attending NCA's camp at SMSU in Springfield they worked hard to earn the Award of Excellence, the top award of all camps. By earning this award they achieved part of their goal. They now would represent McDonald Co. High School at national competition in Orlando, Florida. "Just hearing our school's name as the Award of Excellence winners brought tears of joy to our eyes. It's a feeling we'll never forget", says senior cheerleaders: Amy Burr, Monica Call, and Ronda Wallain.

As the school year began the Varsity Cheerleaders were busy perfecting their 2½ minute routine they would perform at Orlando. They also had to raise \$11,000! While preparing for national's, they also cheered on the Mustangs through football & basketball seasons.

When December 26, 1986, finally came they were ready to go and represent MCHS in Orlando. As they got off the plane, they experienced the feeling of warm tropical air and the feeling of excitement. As the day approached for the varsity squad to compete, every cheerleader had butterflies in her stomach. Four fifty-six finally arrived and it was the

MCHS's turn to walk on the mat and be judged. "As we walked out on the mat, we planned to do our best hoping that everyone would remember who McDonald County Varsity is", says senior Ronda Wallain. After the performance the cheerleaders gave a sigh of relief knowing that the moment they had practiced and waited for was over.

All-in-all the trip to national's was worth it. They competed against 85 other large varsity squads, but did not make it into final competition. "Knowing that we were able to compete with the best was worth all the time and effort put forth", says Amy and Monica.

None of this would have happened if it wouldn't have been for every individual that supported us, but most of all we would thank our school for giving us the opportunity to represent them! "We'd cheer for the Mustangs anytime."

The year ended with many memories and heartaches, but most of all cheerleading was its best in McDonald County in 1986-87. We will say good-bye to four Sr. cheerleaders in 87 & 88.

by Stacy Grissom

CALL 845-6980

CHEERIN' '87

"Throughout the year we're gonna cheer; gonna cheer for the Mustangs!"

This year, that is what the Freshman Cheerleaders tried their hardest to do, cheer their teams to a victory.

It all started when they finally got to know each other at the NCA camp in Springfield. They became close like sisters at SMSU. They worked hard all week by getting up at 5:00 A.M. every morning so they could practice to be the best. It all paid off because every evening at evaluations they received blue ribbons. Finally at the end of the long, hard, but fun week, they were chosen to compete in the top 3 junior high squads division. Although they did not place, it was still a great honor to be chosen as one of the top

"3"!

After camp football season started. There were only 2 or 3 games but the cheerleaders had a lot of fun cheering for their team.

Then came basketball! It was a great success. The girls were spirited and tried to get the teams hyped up before the games. The cheerleaders and basketball teams got along great.

It was a lot of work trying to get along, cheer, be spirited, smile, and raising school spirit, but the Freshman Cheerleaders did it and at the same time had a lot of fun!

HONORS

& EVENTS

The band, cheerleaders, and Spurs held many surprises for the student body at MCHS this year. Both cheerleaders (Freshman & Varsity) and the Spurs brought home awards from summer camps this year. One of the most exciting was seeing the Varsity Cheerleaders travel to Orlando, Florida for the National Cheerleading Championships. The Scarlet Spurs also traveled to Kansas City, Missouri for competition at Worlds of Fun. They received an award for Outstanding Execution with their routine to "Velcro Fly."

The band also went to competition at MSSC. "Den Bridge Way" and "Air For Winds" were the numbers they took to compete with. They also competed in the sight-reading division. They received a III rating.

These three groups truly prided MCHS this year, and let people know that Mac County is on the scene!

photo by Julie Varnell

photo by

"Kick it up" was the overall theme of 1987-87 for the Scarlet Spurs.

The Spurs attended a summer camp in Jenks, OK to learn new dance techniques and ripples. They received the "Friendliest Drill Team" award and Denise Schell won a head-pop contest.

The Scarlet Spurs had a very successful football season, as well as a successful basketball season. This year the Spurs were given the opportunity to perform at the State Championship Finals in basketball held in Columbia, MO. They performed a precision routine to "Velcro Fly" by ZZ Top. The crowd was very encouraging as they clapped and sang along with the song as the girls performed.

The Scarlet Spurs spent many weekends marching in holiday parades throughout the community: Win-

terfest Parade, Noel's Christmas Parade, Fall Festival and Christmas Parades in Neosho, Wheaton Christmas Parade, and Joplin Christmas Parade.

On April 25, the Spurs traveled to Worlds of Fun in Kansas City, MO for drill team competitions. They took "Velcro Fly" to the competition. The judges and crowd absolutely loved the performance. The girls came home happy and feeling that they had accomplished a main goal for the year. While at Worlds of Fun, the Spurs went on various rides and bought several souvenirs.

The year came to an end with a big banquet at the Golden Corral in Neosho, MO.

This was a great year for the Spurs, and definitely one never to be forgotten.

The MCHS Chorus department under the direction of Mr. Brower had a very good year.

The year started out with many long hours of practice and many new songs were learned throughout the year. After preparing for several months, the Chorus department traveled to Miami, OK, for competition. They spent a nice day touring the campus and, of course, competing, too! A few people were brave enough to present solos at contest and did very well. The chorus group received a III rating. Overall, the year's hard work came to a good end.

photo by Crystal Mann

Hard at work girls?

MUSIC . . .

Where could you find a group of wild and crazy people (as described by one member), with a lot of talent and stamina? In swing choir, second hour, of course. This group is better recognized as "Destiny."

Destiny over went many changes this year, with Mr. Bill Brower as the new director and many new members. Mr. Brower commented, "This is the first time in 13 years that I've worked with mature voices." They have practiced hard every day, learning to work together to produce a sound that everyone enjoys.

Destiny held several performances for public events and organizations. These included entertainment at the Noel School Open House in October, the Widow to Widow Christmas party, and the Northpark Mall during the Christmas season.

The group performed at the annual Christmas and Spring concerts held at the high school. John Orlor's favorite event was when Destiny sang for the county elementary and junior high schools. He explains, "I like the traveling and performing for people more my age."

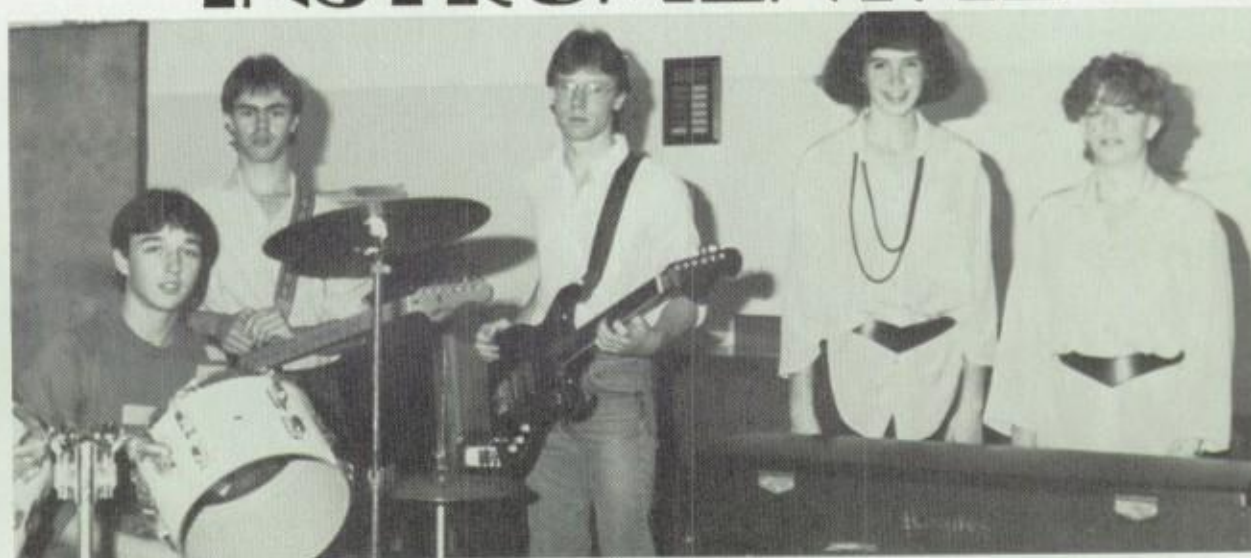

Thanks to everyone's hard work and dedication, Destiny has brightened people's lives and had fun doing it.

FUTURE HOMEMAKERS

The 1986-87 year has been an exciting one for the MCHS chapter of the Future Homemakers of America. It has included a variety of activities.

Starting in June of the preceding summer with the State FHA Conference in Columbia. Advisor, Ms. Babb and several FHA members set off to learn new leadership ideas. Public speaking camp was another opportunity in the summer to develop new skills.

Throughout the school year, FHA members were involved in a number of educational and service activities. Along with the FFA chapter, a blood drive was held in conjunction with the Red Cross.

Increasing awareness for health problems has been accomplished during the year with several members attending an area March of Dimes workshop. A representative for that organization was also a speaker at a chapter meeting.

Star Events was a totally new concept introduced to FHA members this year. This was a special event with several home economics/FHA related contests. A special team of Winifred Davis, Tina Woods, and Anne Brock entered a contest giving a presentation on child safety in the event called "Little Friends." They had previously worked with children in this elementary school safety pro-

gram.

Of course, there were numerous regular events going on during the year, such as meetings, elections, and fundraisers. But, the highlight of the year was the annual FHA Ball

"When I'm With You." Brian Walker was crowned FHA Beau on February 14. It was just one of the special memories that this year held.

"When I'm

When I'm With You" was the theme of the 1987 FHA Ball. Guests entered a medieval kingdom through a castle entrance, complete with a lake on both sides. Inside, blue and silver streamers and balloons added to the romantic setting.

After pictures were taken at the entrance, by Jan-Lynn Studio, the ceremony began. First of all, at 8:30 p.m., the FHA members presented their advisor, Karen Babb, with a silver necklace, to show their appreciation.

Tina Woods, Chapter Devotional Leader, served as emcee for the ceremony. The Beau candidates and attendants were escorted by FHA officers as Tina introduced them all. They were: Freshman attendant, Shane Reece; Sophomore attendant, Trevin Granger; Ju-

nior attendant, Dusty Morris; and Senior candidates - Mike Reagan, Bill Snow, and Brian Walker.

The anticipation built as the envelope was opened. Then Brian Walker was crowned by Anne Brock, Chapter Vice-President.

The candidates, attendants, and their dates enjoyed the first dance of the evening. Then everyone joined in for two hours of dancing. Music was provided by Gayle Poteet of Ultimate Sound.

A special thanks to: Mrs. Burch, program; Leroy Pierce and Jerry Medley, helping set up the backdrop; and FHA members who decorated and brought food.

FUTURE FARMERS

The FFA Chapter began the school year by having an Ice Cream Social for all of its members and their parents. State V.P. - David Cooley spoke to everyone about actively participating in FFA. After that, everyone enjoyed a game of softball and a big dish of ice cream and cookies. The chapter enjoyed many other activities throughout the year. One of the first was the blood drive. Thanks to all the students, faculty, and community who donated blood and their time to the drive. The donations doubled from the year before.

Later in the year, the chapter had its annual barnwarming where Robin Stites was crowned FFA Sweetheart. Everyone enjoyed an evening of square dancing and participating in games.

Officers worked hard filling out various applications for chapter recognition. Committee Chairmen and other members also worked hard to make the year a success.

Spring was filled with excitement as members spent many hours practicing for their respective judging contests. However, all the hard work and determination paid off as six of eight judging teams qualified to participate at state contest in Columbia. Those qualifying were: Meats, Poultry, Livestock, Soils, Forestry, and Greenhand Knowledge. All the teams did very well at state with the Greenhand Knowledge Team winning 1st place. The Poultry Team also did well as they got 3rd. The Forestry Team placed 6th and the Meats Team was 7th.

As the members look back, they can remember this year as a big success!

Saturday, October 18, the barnwarming got under way as Robin Stites was crowned Sweetheart for '86. She, along with Tina Smith and Audrey Pridemore competed in a very close contest for this honor.

After the ceremonies and the picture taking, the dancing got started. There was a nice crowd with lots of cake and refreshments.

As the caller had his first breather, there was another contest for the candidates. This was a goat milking contest. They were to fill a cup with goat's milk. Robin won by just a few squirts, and received the coveted goat milking award. Then Mr. Mason and Mr. Hobbs had their chance. They competed as a team against Kevin Crosby and Shelby Turner, representing the officers and two of the freshmen's best. The rules were simple; one person held the goat while the other one milked, and to make it more interesting everyone was blind folded. But since Shelby and Kevin made the rules, they decided not to wear their blind folds, and with the help of Donnie Spears (who kept the advisor's goat on the move) Kevin and Shelby won the contest.

After all the milking, the caller got everyone's enthusiasm as he did the "Hoky Poky". Lots more dancing and games were enjoyed by everyone before they decided to quit with that last square dance.

There was a very good turnout and had a great time!

by Kevin Crosby

JROTC

Why you should join JROTC?

ROTC is one of several exciting elective classes offered at MCHS. Not only is JROTC exciting, it's a great chance for students to experience a small taste of military customs, studies, and honors. This sample of the military gives students the choice to see if they would seriously like to consider a military career in the future, and many choose yes!

It's the 1980's - the military is open to men and women equally so girls shouldn't be intimidated, if it's what they want they should go for it.

Military

R.O.

The 1987 R.O.T.C. Ball began with a Grand March of the R.O.T.C. members and their dates for the many parents and guests present.

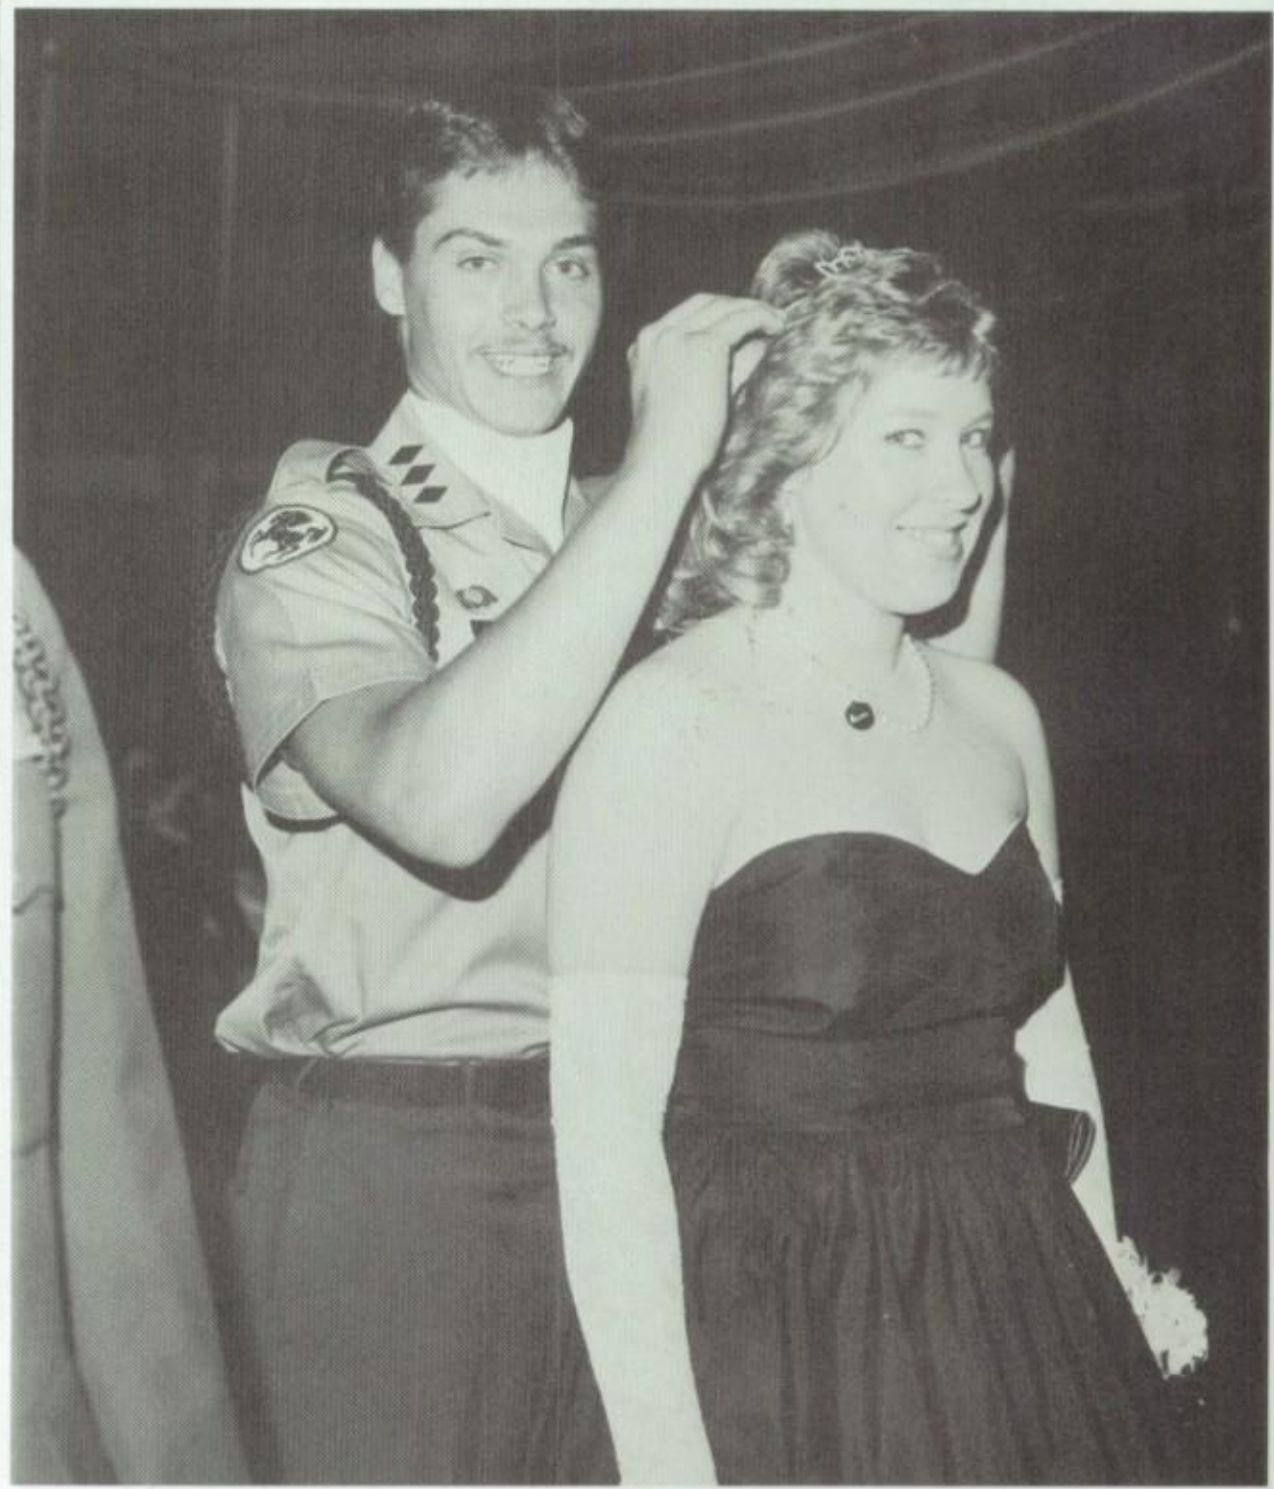

Following the march was the awards ceremony. The following people received awards: Kitten Pope - Superior Cadet, Marvin Puryear - Superior Cadet, Jody Roark - Superior Cadet, Leonard Puryear - Superior Cadet, Gerald Hatfield - Retired Officers Association, James Overstreet - Sons of American Revolution, and Tom West - American Legion. Dr. Allman and Mr. Willis were present to assist in handing out awards.

Next was the crowning of Tanya Smith, 1987 ROTC Queen. The other candidates were Kim Burnett, Michelle Farmer, Kelly Harrison and Kristi Frazier.

As the ceremonies concluded, the dance began. Mike Chase, K-106 D.J., played the hits as everyone danced.

Commander Robert Evenson crowns Tanya Smith ROTC Ball Queen.

ROTC Ball Queen Candidates and their escorts: (l to r) Kim Burnett and Jody Roark, Tanya Smith and Kirk Harper, Michelle Farmer and Gerald Hatfield, Kelly Harrison and Mike Roark, Kristi Frazier and Marvin Puryear.

J.C.

Ball

Award winners (l to r) Robert Evenson - recognition from previous year, Kitten Pope - Superior Cadet, Marvin Puryear - Superior Cadet, Jody Roark - Superior Cadet, Paul Gardner - Superior Cadet, Leonard Puryear - Superior Cadet, Gerald Hatfield - Retired Officer's Association, James Overstreet - Son's Of American Revolution and Tom West - American Legion.

Kitten Pope receives an award from Supt. Allman.

Daniel Lett and Diane Keene walked in the Grand March.

LEADERS BUILD the FUTURE

Mrs. Johnson, sponsor, Kim H., Denise S., Juli V., Lavetta P., Robert H., Tracy P., Jerry L., Anne B., Ginger V., Colleen Co., Suzanne B., Doris L., Rhonda C., Tina S., Sherri M., Alex D., Betsy B., Cheryl H., Dristi M., Shawna P., Russell T., Kitten P., Cathy A., Stefan E., Tommy J., Crystal M., Linsey C., Joanna W., Angie M., Bruce S., Jon P., Adam P., Melissa B., Carol H., Chris H., Bradon W., Julie J., Angie R., Renee K., Mike R.

FBLA (Future Business Leaders of America) began their year with an initiation ceremony for new members and an induction ceremony for the 1986-87 officers.

They held a general meeting on the second Tuesday of every month and had several local business people as guest speakers.

Districts competitions were held at Stockton, MO. The results were: Outstanding Project - Denise Schell, 1st place, Local Chapter Exhibit - Bruce Sivil & Jon Pierpont, 1st place, Business Graphics - Kim Hanke and Bruce Sivil, 3rd place, Parliamentary Procedures Team - Denise Schell, Brandon Wooden, Anne Brock, Sherri Mitchell & Tina Smith, 2nd place, Entrepreneurship I - Cheryl Hawley, 1st place, Entrepreneurship II Team - Brandon Wooden, Robert Holloway, and Jerry Lane, 1st place, Job Description Manual - Colleen Coop, 1st place, Public Speaking - Anne Brock, 1st place, Job Interview - Suzanne Benge, 5th place, Ms. FBLA - Kim Hanke, 1st place, and Clerk Typist II - Colleen Coop, 1st place. Denise Schell was appointed as the new District Parliamentarian and Robert Holloway was chosen as the new District Reporter for the year 1987-88.

From Districts, the 1st place winners went on to state competitions at Jefferson City, MO. The following people placed: Colleen Coop - Clerk Typist II 2nd place, and Job Description Manual 4th place, Brandon Wooden, Jerry Lane, and Robert Holloway - Entrepreneurship II team 5th place, Denise Schell - Outstanding Project 6th place.

During American Enterprise Week, FBLA members provided a teacher's breakfast, took a job poll and participated in a job scramble game. FBLA took FHA on a skating and pizza party during National FBLA Week, Feb. 9-15.

To raise money for the March of Dimes, the FBLA members took part in a type-a-thon. Colleen Coop raised the most for FBLA & the March of Dimes, \$101.

Throughout the year the members did volunteer work with the local ABE (Adult Basic Education) Program as a community project.

To end the year there was a banquet and dance inviting all members, business people, and anyone else who wanted could attend.

The highlight of the year was a trip to Silver Dollar City. First they toured a couple of businesses and then proceeded to Silver Dollar City for a day of fun!

Front row (l to r) Joni Woolard, Erin Fagan, Nicole Ailey, Anne Brock, Denise Schell, Connie Johnson, Lisa Brewer (yearbook co-ed.), Cathy Anders, Colleen Coop (HOOFBEATS editor-in-chief). 2nd row Kathy Jones, Suzanne Benge, Carol Huckstep, Julie Johnson, Crystal Mann (asst. photo.), Missy Hines (yearbook co-ed.), Stephanie McCool. Lisa Brewer, Stacy Grissom, and Laura Brittle ride on the yearbook float in the Noel Christmas parade.

Photography staff (l to r) Assistant Photo. Crystal Mann, Head Photo. Kevin Crosby, and Ace Moreland.

The 1986-87 publication staff has worked hard to provide the best newspaper and yearbook possible.

The hard work and determination of the "Hoofbeats" staff was evident in the papers put out during the year. School news as well as major community events were covered thoroughly by dedicated reporters. The newspaper editors did an excellent job laying out the paper so it would be pleasing to the eye. The production manager ran the paper off with expertise.

The yearbook staff spent many tedious hours to produce an excellent yearbook. The co-editors put together the high school section, while the grade school editors busily gathered pictures from area grade schools. The business editor took care of gathering and laying out ads excellently.

Without the superior work of the photography staff, the newspaper and yearbook would not be possible. These hard workers took pictures of school functions, developed the film, and printed pictures for the newspaper and yearbook.

The year came to an end all too soon, but with a sigh of relief and a feeling of accomplishment. The hard work paid off!

"YOU CAN'T TAKE

The 1986-1987 was a busy one for the MCHS speech & drama department. In the fall, the speech squad hosted the first annual speech & debate tournament and nine area schools came down to compete. As Christmas approached, the Drama II clan toured a Christmas show for the grade school students in the county. The show, entitled "How Santa Got His Christmas Tree", was a big success. In the spring, the drama department presented "You Can't Take It With You."

Throughout the year, the speech squad competed in four speech tournaments. The students, basically a novice squad, did very well this year. The two man debate team of Brent Jordan & Scott McGaha received a third place trophy in original oratory, and Rebekah Daniel made it into the finals of dramatic interpretation at districts.

ART CLUB

Between trips, fund raisers and art shows, Art Club had a really busy year. Their fund raiser was selling suckers and they made quite a bit of money!

At the beginning of the year, the Art Club sponsors and officers took a trip to Silver Dollar City in Branson. The day was quite an adventure. Mr. Bergen just couldn't resist the excitement of climbing through those ropes! The rest of us settled for the calmer things, like the slides and the petting zoo.

Every year the whole Art Club takes a trip to top off the year. This year it was Worlds of Fun in Kansas City. Worlds of Fun was holding an art and photography day, so the club combined their fun with a little art studying. It was a great year!

(Top Left) A guest speaker tries to get his point across. (Above) Student Council members take care of business at a meeting. (Left) These girls went all-out for dress-up day.

The Student Council is the principle leadership organization for the entire school. Members worked hard to serve the student body.

Representatives from every school organization were responsible for making sure the students' best interests were served. Regular meetings were held, as well as committee meetings. President, Winifred Davis, read the weekly bulletins over the intercom system. Other responsibilities of the council included keeping up school spirit and sponsoring several activities throughout the year.

Activities included Costume Day for Halloween, Putting up a Christmas tree, the Whiz Quiz, and the Spring Talent Show. They organized the basketball homecoming ceremony and dance.

A special achievement of Student Council was the birth of a SADD chapter. It was started off with an all-school assembly, which was concluded with many members joining.

Other assemblies sponsored by Student Council included one with Kevin Coffman, former national vice-president for F.F.A., as a motivational speaker.

John Orlor was elected 1987-88 Southwest District F.T.A. President. Debbie Brooks finished out her term as Southwest District F.T.A. Vice-President.

photo by Ace Moreland

The MCHS chapter of the Future Teachers of America finished out another successful year. They started off with a campaign of selling T-shirts, which provided enough funds for many worthwhile activities.

American Education Week was a time for Future Teachers to do several things to show appreciation to their present teachers. They did this by providing a breakfast on Tuesday morning, handing out special note pads and pens on Thursday, and bringing all the fixin's for a buffet-style lunch on Friday.

District meeting, as always, was a major event of the year. There were enlightening guest speakers, as well as campaign speeches from officer candidates. As senior Debbie Brooks finished out her year as District Vice-President, junior John Orlor was ushered in as the new District President. He was prepared to represent our local chapter and serve our entire district of Future Teachers throughout the year.

FOREIGN LANGUAGE CLUB

The FLC for '86-87 had an interesting and fun-filled year. The various meetings and trips taken by the club made the year pass quickly but the memories will last.

During the course of the year the devoted members painted cabinets, bought books and materials for the Spanish classes, had a delicious dinner at Mrs. Allman's house and an overall good time!

The big event of the year took place on April 25, when members attended and competed in the MSSC Foreign Language Field Day. After the testing was finished the group convened at the Grand Fortuna Restaurant and everyone had Chinese food.

On the way home the club stopped at the Northpark Mall for a few hours and then proceeded toward home. The day ended with several tired, but happy members.

Foreign Language Club is a specialized and exciting club and hopefully it will continue its increase in members.

NATIONAL HONOR SOCIETY

National Honor Society participated in many activities. Michelle Stoker and Lisa Brewer were nominated to be NHS scholarship candidates. They had to fill out an application and submit a transcript to the NHS Scholarship Committee. NHS also had a toy and food drive in December. The food and toys were sent to Family Services to be given to needy families in the county. The year ended with Initiation where the new members were honored.

CARPENTRY

The carpentry class this year built a house one mile west on F Hwy. in Indian River Hills. The house has a 1600 sq. ft. heated area, 480 sq. ft. garage, and a 272 sq. ft. deck. It was designed by Robert Campbell and is a custom contemporary style.

The house has a contemporary exterior and an unusual design with a central foyer offering direct access to all parts of the house. It as a combination living-dining area and sun deck. The U-shaped kitchen has abundant cabinet space and built-in dishwasher, pantry, and breakfast bar. The master bedroom has a private bath and walk-in closet. The remaining two bedrooms share a central hall bath and generous closet space. The hospitable atmosphere of the house believe is functional and maintenance free design. Natural stained vertical wood siding trimmed with western red cedar fascia and shutters provide the most attractive appearance.

The students are involved in all phases of construction. The carpentry class has been building houses since 1968 and over the years has built 17 houses in Anderson and Pineville and remodeled the Anderson Jr. High, and Special Service building.

AUTO MECHANICS

Auto Mechanics is a great place to start in learning to be a do-it-yourselfer or a professional mechanic. It is also a good place to fix your own car or maybe even a friend's car. In this class you work, learn, and even have fun while doing it!

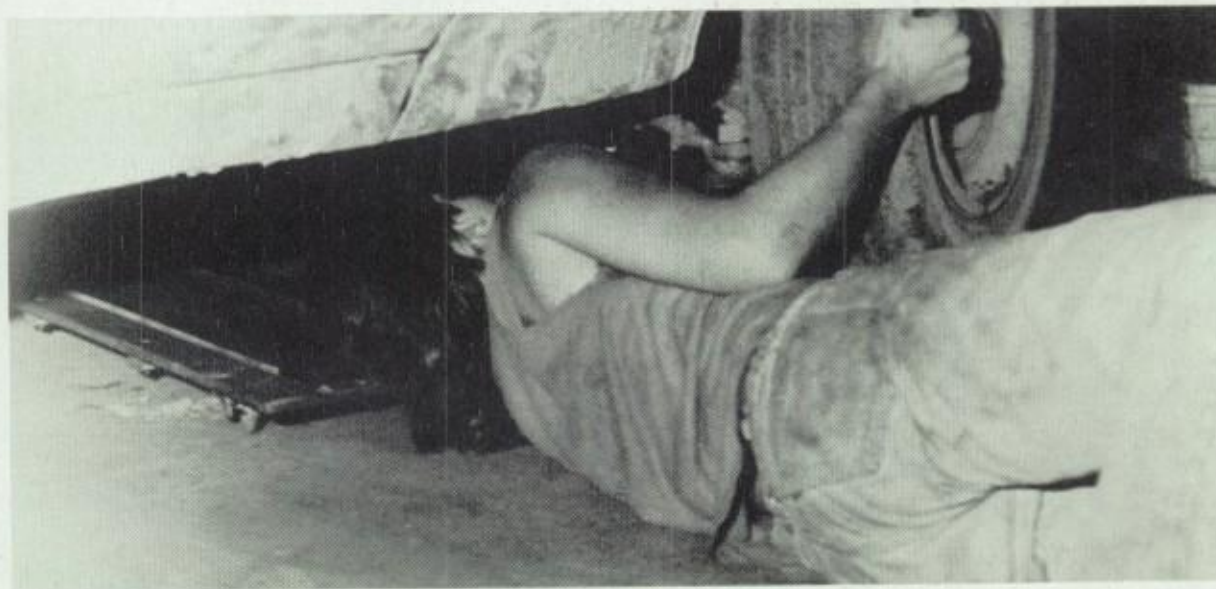

This year under the instruction of Mr. Davis, or as most call him, "Sarge", the class received some new equipment which was greatly appreciated by all the students.

Auto Mechanics is a good class to take during high school. You leave the class with a greater knowledge of cars and also learn a sense of responsibility to your car.

By Aaron Hutchinson

What did you say went here?

Morning Class - Heath Carlton, Eugene Gowdy, Robert Mestrovich, Marty Clark, John Allison, Warner Greene, Andy Kirk, Terry Renner, Greg Wilson, Richard Stevens, Aaron Hutchinson, Eddie Ables, Lloyd Mathis, James Niblet, Roy Milleson, James Mryde, Steven Arnett, Kevin Colville, Sarge Davis

Andy works on a car in auto mechanics.

Afternoon Class - Max Yeargain, Ron Short, Jimmy Akehurst, Brian Reagan, Charles Pendergraft, John Scott, Tim Weeks, Wayne Killion, Terry Bates, Rick Hart, David Lackey, James Davidson, John Casey, Frank Geasland, Travis Short, David Driver, John Brooks, Sarge Davis

INDUSTRIAL ARTS

"This years Industrial Arts classes have been fun and interesting," said Mr. Snow, industrial art instructor. The classes that were offered this year included General Shop, Drafting, Wood Construction, Electricity, and Home Maintenance. The freshman and sophomore general shop students manufactured trophy plaques for the 4-state Livestock Show. On April 2 wood construction class competed in the Missouri Southern State College Industrial Arts Fair. Everyone that entered a project received a I or II rating.

PREPARING

The 1986-87 Clerical Class met 5th and 6th hours under the supervision of Mrs. Johnson.

This class is designed to improve your skills in the office. The first semester is spent mainly on book work.

Third quarter is spent working on various activities, like transcription, ten-keys, and computers. Fourth quarter is spent in an office simulation. This is set up like an actual company and the students work in different departments. It gives them an idea of what goes on in a company.

 Field Goal % Leader - Amy Manning
 Rebound Leader - Amy Manning
 Assist Leader - Myli Taylor
 Freethrow % Leader - Myli Taylor

BANQUET

The annual Future Farmers of America banquet was held on Friday, May 15 at 7:00 p.m. in the cafeteria. After a meal of BBQ roast beef and ham, hot rolls and desserts and vegetables brought by the members award presentations were made. Rick Houston was selected as Star Greenhand, and Russel Thomas and Joey Cooley both received the Star Chapter Farmer Award. Kevin Crosby was selected to receive the Outstanding Senior Award and his mother Mrs. Cleo Crosby was awarded the Honorary Farmer Degree.

Those receiving proficiency awards and their area were: Crops - Bob Davis, Livestock - Lynn Sheppard, Small Animal Speciality, Machele Colville, Horse - Brett Anderson, Farm and Homestead Improvement - Brandon Wooden, Turf/Landscape Improvement - Travis Pratt, Agriculture Processing - Bob Buchite, Fruit/Vegetable Management - Mandy Hobbs, Dairy - Kenny Horton, Sheep - Joey Cooley, Placement in Ag. Prod. - Jimmy Slinkard, Diversified Farming - Rick Huston, Ag. Electrician - Shane Reece, and Swine - Mike Hull. Kevin Crosby also received the State Farmer Degree.

The judging teams were recognized for their winnings during the season by Mr. Hobbs and Mr. Mason. David Cooley was the guest speaker for the banquet.

All photos taken by Crystal Mann

Chapter President Kevin Crosby received the Outstanding Senior Award.

David Cooley was guest speaker.

Mrs. Cleo Crosby received the Honary Chapter Farmer Degree.

Spur Banquet '87

The Scarlet Spurs ended their year with a banquet at Golden Corral in Neosho. They began eating at 7:00 p.m. and gave out special awards during the meal. The girls receiving awards were Christie Sewell - Best Projection, Sandra Boydston - Most Potential, Tonya Kahle - Most Improved, Kathy McNeill - Best Attitude, Candy Mitchell - Best Smile, Missy Hines - Best High Kicks, Crystal Mann - Outstanding Senior, Sherri Mitchell - Outstanding Junior, Tabitha Skelly - Outstanding Sophomore, Stacy Qualls - Outstanding Freshman, and Tracy Perkin - Best All Around. The Spur's sponsor, Martha Garrison, was presented a brass 3-ring plant holder and the Spur's Booster Club of mothers was thanked for their continued support. Following the banquet, the girls viewed a videotape of the year's performances.

The Spur officers and Martha Garrison pose for a picture.

Crystal Mann concentrates on decorating for the banquet as Sherri and Tracy gaze on from the background.

FBLA BANQUET

The second annual banquet of the Future Business Leaders of America was held on Saturday, May 9. Those attending were FBLA members, business representatives, parents, and other guests. The purpose of the banquet was to recognize the accomplishments of individuals and the chapter as a whole during this past year.

Members who attended district and state leadership conference were recognized. The state FBLA winners were: Colleen Coop, 2nd - Clerk Typist II, 4th - Job Description Manual; Brandon Wooden, Jerry Lane, and Robert Holloway, 5th - Entrepreneurship II Team; and Denise Schell, 6th - Outstanding Project. Other competitors at state included Anne Brock, Chris Harryman, Jon Pierpont, Suzanne Benge, Kim Hanke, and Cheryl Hawley.

Several other individuals and events were highlighted. Participants in the BOE program were recognized, as were senior members. Jon Pierpont was the recipient of the FBLA Scholarship. Denise Schell, president, presided Mrs. Johnson with a special gold candleholder in appreciation for her work as sponsor.

A dance followed the banquet, where people could select their favorite songs from a jukebox.

Jon Pierpont is awarded the scholarship.

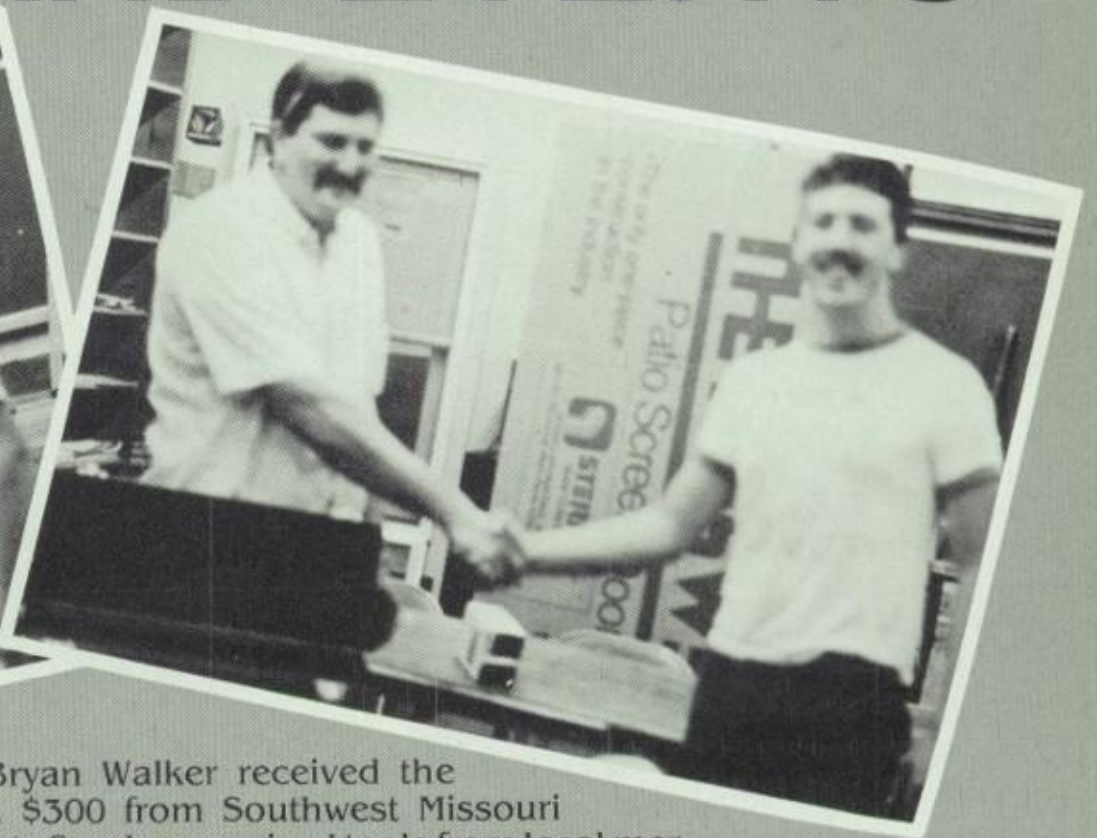

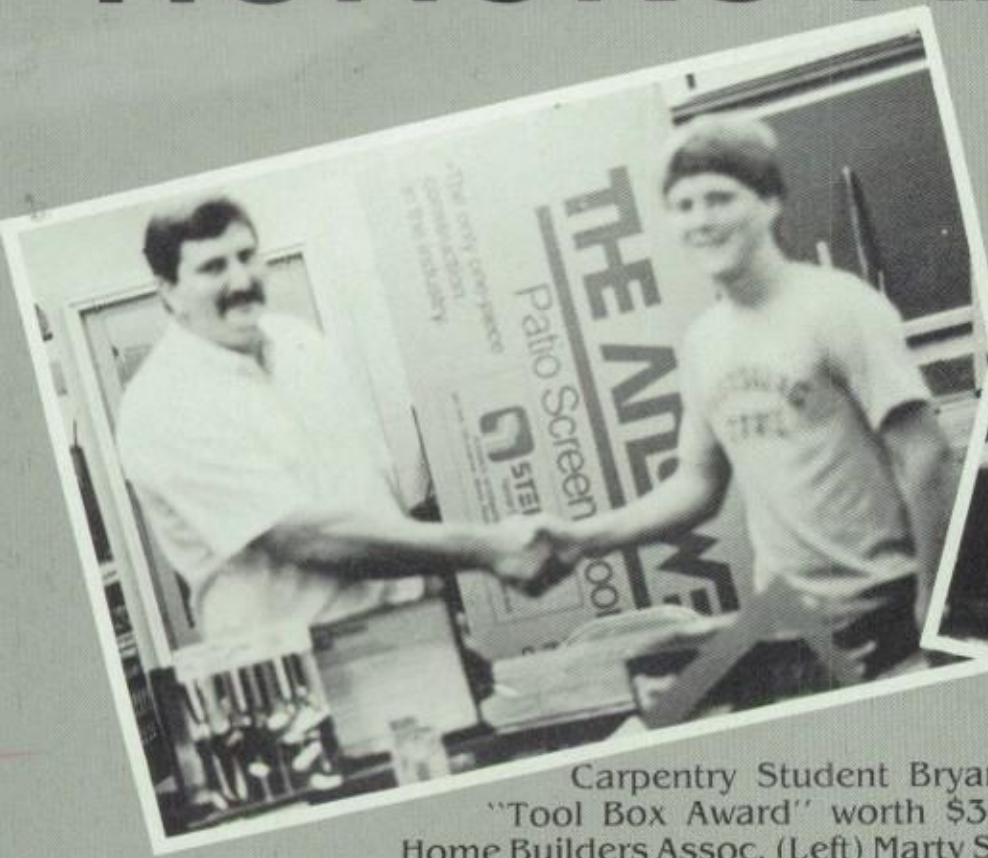

President Denise Schell welcomes everyone.

Chris Harryman joins in reading the FBLA creed.

HONORS AND EVENTS

Carpentry Student Bryan Walker received the "Tool Box Award" worth \$300 from Southwest Missouri Home Builders Assoc. (Left) Marty Sanders received tools from local merchants - Goodman Bldg. Supply, Tatum Hdwe., and Farmers' Lumber. Making the presentation was carpentry instructor Mr. Bob Campbell.

At right MCHS business teacher Kitty Collingsworth, her father and retired MCHS teacher, Bill Mitchell, and sister Terry, second grade teacher at Pineville, traded in their desks for horses and rode in the annual SWC Old Timer's Day Parade in May.

McDonald Co. School Students Kevin Crosby, Don Holly, Melanie Nichols, Michelle McKinney and Shawn McCollough rode on the Cross Country 4-H float in the Old Timer's Day parade.

MUSTANG PARTY

MR. & MUS

The evening of March 28 the doors of the cafeteria opened to a balloon filled Hawaiian - like cafeteria. The Mustang party started at 8:00. Missy Hines welcomed everyone to the party. Next Missy Hines and Lisa Brewer presented Mrs. Collingsworth with a gift certificate from Publications for all of her help. Then they introduced the Mr. and Miss Mustang candidates. The new Mr. and Miss Mustang was announced — Mr. and Miss Senior: Aaron Hutchinson and Laura Brittle!

After the crowning of Mr. and Miss Mustang, Mrs. Collingsworth recognized the '86-'87 yearbook staff. Next Michele Zahm announced Rick Akehurst as the outstanding service award winner. Then Stacy Grissom recognized the '86-'87 Publications members. The new '87-'88 Publications members were then announced.

With the recognition of this year's staff, the new yearbook and newspaper staff was announced.

Missy Hines then announced that the ceremony was over and the dance was to begin. The old yearbook staff wore grass skirts and gave out leis as they took everyone's tickets. Hawaiian fruit drinks were served and a limbo contest took place. The party was a big success.

photo by Kevin Crosby

Old Yearbook Editors, Michele Zahm, Lisa Brewer, Missy Hines, and Stacy Grissom pose for the camera in their hula skirts.

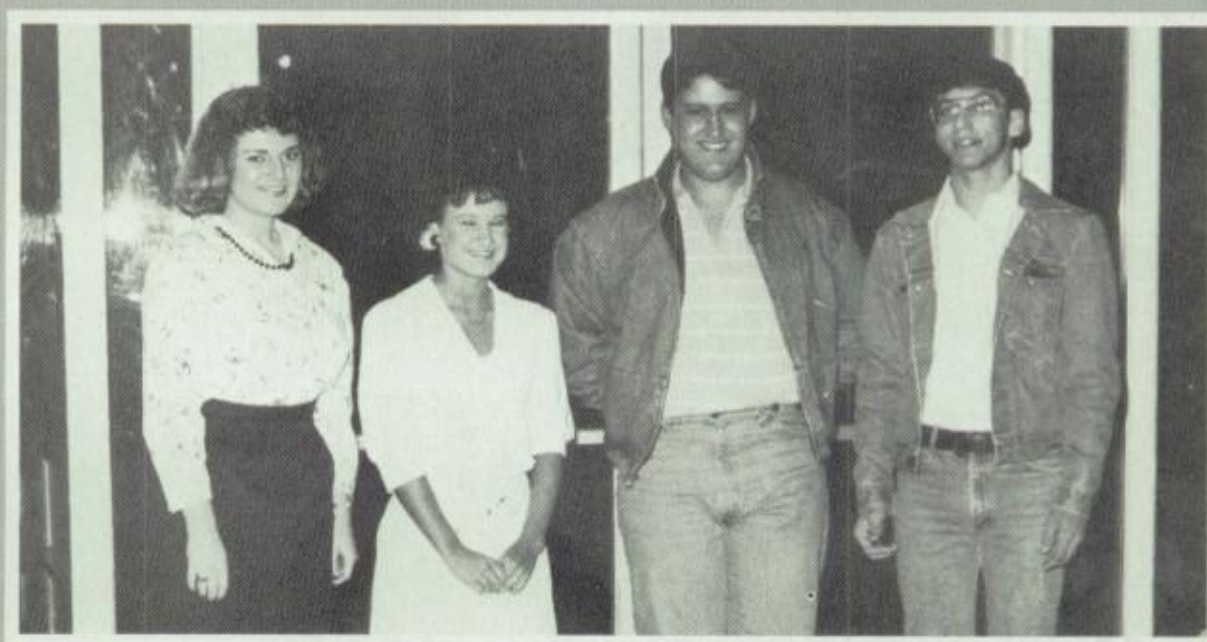

Natasha Sherman was selected to be production manager for the 1988 Newspaper Staff and Connie Johnson was selected as new Hoofbeats Editor-in-Chief.

1986 MINI-MAG

'8
7

The new year has come and 1986-87 is but a memory. Here is a last glance at some of the most memorable happenings in '86-87.

The Mustang football program finally won a game - the first in years.

The MCHS cheerleaders put Mac County on the map by qualifying for national competitions in Orlando, Florida.

The girls varsity basketball team placed 4th in state.

MCHS aquired a new superintendent, Dr. Jack Allman at mid year.

The Winterfest Pageant crowned Anne Brock as the new 1986 Miss Winterfest with 1st Runnerup - Kim Hanke, 2nd runnerup - Nicole Ailey and 3rd runnerup - Michele Martin.

Winifred Davis was honored as football homecoming queen in 1986 and Robin Stites was selected as the FFA Barnwarming Sweetheart.

Amy Manning was crowned Bas-

ketball Homecoming Queen in '87. Everyone was thrilled when Rhonda Jackson and Duane Jones were voted Prom King and Queen. Also Tanya Smith was honored as the new ROTC Queen and Bryan Walker as the new FHA Beau.

Several days of school were canceled because of flooding in Southwest Missouri.

The Ozark Theater in Noel and The Elk River Arena, on Hwy. 71 were both destroyed by fire.

Another local tragedy was a train derailment which involved a tank car carrying poisonous gas. A section of Anderson had to be evacuated.

The famous leather-n-lace singer, Madonna, got a new look. She cut her hair short and bleached it almost white. Her wardrobe also changed. The lace was thrown away and she covered her belly-button. Her "True Blue" album was a triple-

platinum hit.

Everyone was rushing to the nearest theater to see "Top Gun" starring teen hunk Tom Cruise and "Soul Man" starring teen idol C. Thomas Howell.

The New York Mets took victory over the Boston Red Sox in 1986 World Series.

Fashions in '86-87 were real eye-openers. Jean mini-skirts were seen everywhere. Antique jewelry was seen on both boys and girls. Pins, broaches, and earrings were a hit. Girls started taking over in the male clothing department.

Long hair was cut short at the start of '86 but by the winter months the girls were all letting their hair grow long.

All-in-all, 1986-87 was a great year and definitely one to remember!

By Denise Schell

Courtesy of Anderson Graphic

R **A** new face reached the No. 1 spot several times this year on the country charts. On the other hand, "Diggin' Up Bones," "Forever 'N Ever" and "1982" made Randy Travis the new George Strait. Straits "Ocean Front Property" and "All My Exes Live in Texas" retained him his stardom. Reba McIntire, with "Whoever's In New England," and the Judd's with "Grandpa" remained the top female country vocalists. The Forrester Sisters made their debut and Marie Osmond crossed the charts from pop to country.

by Kitty Collingsworth

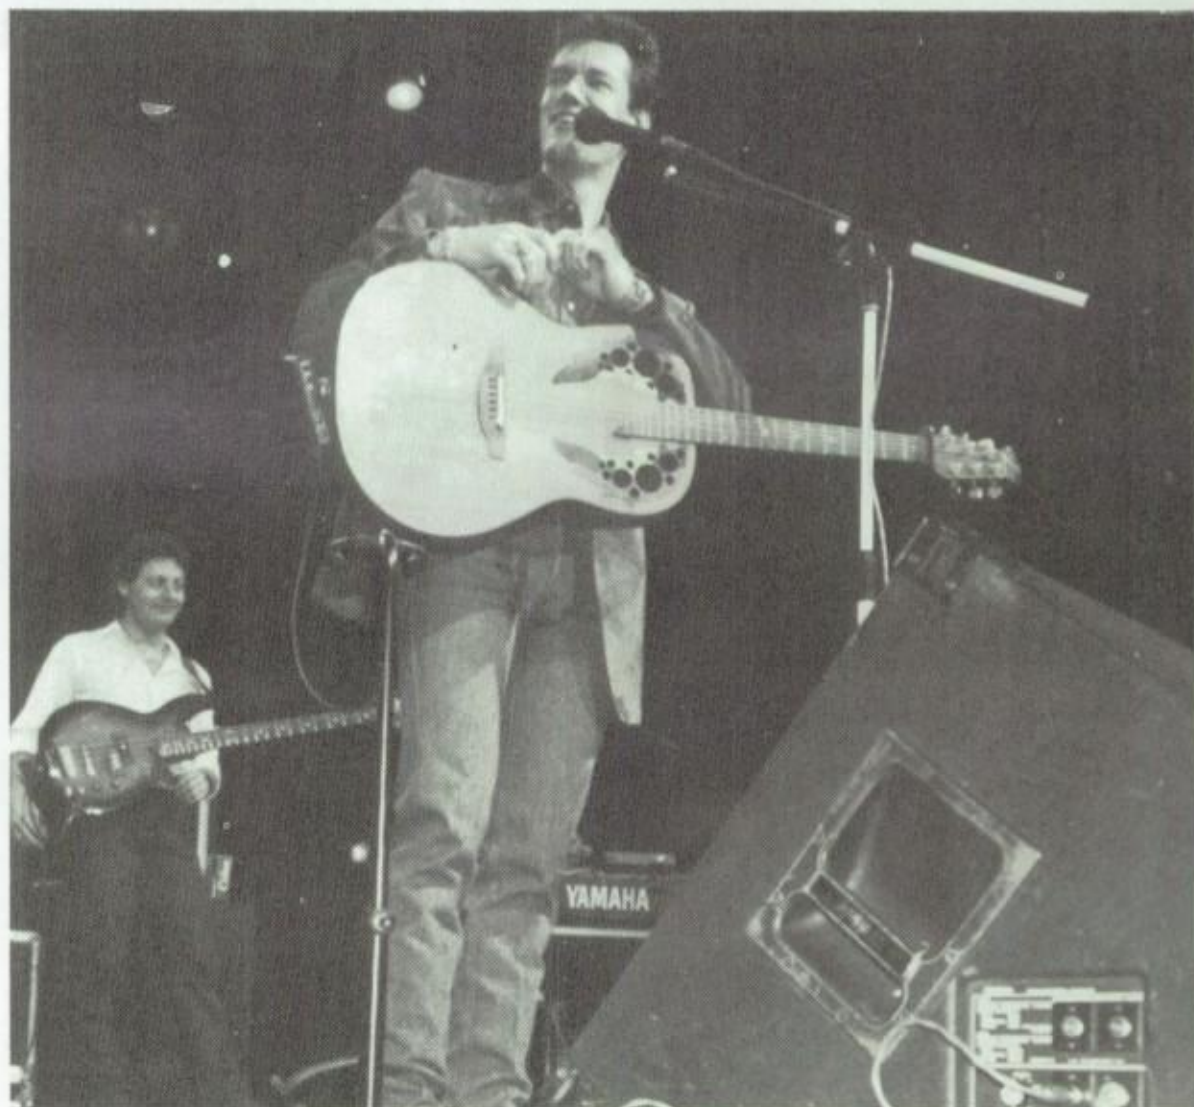

photo by Terry Mitchell

At the beginning of the school year the yearbook staff took a pole to find out what the student body's favorites and least favorites were. These were the results.

	<u>FAVORITES</u>	<u>LEAST FAVORITES</u>
Vehicle-	1 Porsche 2 Corvette 2 Mustang	1 Ford trucks 2 Pinto
Food-	1 Pizza 2 Shrimp	1 Liver 2 Spinach
Actor-	1 Tom Cruise 2 Bruce Willis	1 Pee Wee Herman 2 Sylvester Stallone
Actress-	1 Cybil Sheppard 2 Molly Ringwald	1 Joan Collins 2 Liz Taylor
Band-	1 Bon Jovi 2 Alabama 2 ZZ Top	1 AC/DC 2 Twisted Sister
F. Singer-	1 Whitney Houston 1 Madonna 2 Reba McIntire	1 Tina Turner 2 Cindy Lauper
M. Singer-	1 George Strait 2 David Lee Roth	1 Michael Jackson 2 Ozzy Osburn
T.V. Show-	1 Cosby Show 2 Growing Pains 2 Miami Vice	1 A-team 2 Dynasty
Movie-	1 Top Gun 2 Karate Kid II 2 Back to the Future	1 Pee Wee's Big Adventure 2 Big Trouble in Little China
Place to eat-	1 McDonalds 2 Red Lobster	1 Dairy Queen 1 Burger King 2 McDonalds 2 School
Place to date-	1 Movie 2 Joplin	1 Home 2 Anderson
Soft Drink-	1 Dr. Pepper 2 Pepsi	1 Coke 2 Pepsi
Song-	1 Friends & Lovers 2 Glory of Love	1 Captain of her Heart 2 Sledge Hammer 2 True Colors 2 Heartbeat
Jeans-	1 Lee 2 Levi	1 Braxton 2 Wrangler
Shoes-	1 Nike 2 Reebok	1 Winner Choice 2 Ms. Pro
Sport-	1 Basketball 2 Football	1 Football 2 Golf
Subject-	1 Art 2 English	1 Algebra 2 English 2 Chemistry

The editors of the 1986-'87 yearbook hope to have captured many memories for all of the students at MCHS, for each of us have put a part of ourselves into this year's book and we hope it's as special to you as it is to us.

We would like to thank Mr. Paul, the darkroom staff, Rick Akehurst, the newspaper staff, the Publications class, Mrs. Burch, Mr. Bergen, Chris Moore, and especially Miss Kitty, our boss, for all of her help.

We will miss the times of making decisions together, laughing together and yelling at each other, but we won't miss the hard work of putting the yearbook together.

To the 1987 senior class, we hope we have captured each and every special moment that you want to remember.

When you look back at this years yearbook we hope you are "Hung up on Memories!"

Crowder College

For
A WORLD OF LEARNING

Crowder College, located in Neosho, Missouri, is a two year comprehensive college. We offer programs ranging from computer science, and education to nursing and fine arts.

Crowder College has a wide variety of courses which lead to an Associate of Arts or an Associate of Applied Science Degree. All of our credits transfer if you decide to continue your education — that's a guarantee! And many forms of financial aid are available.

Call us to set up a campus visit, or to get a catalog. We're looking forward to hearing from you!

MERCANTILE BANK

The McDonald County Mercantile Bank was one of seven businesses in McDonald County who participated in the cooperative training program at McDonald County High School.

This program allows students to attend school half of the day and work in a county business the other half of the day, receiving pay from their employer and receive a school credit for their participation in the program.

Pictured at right are Karla Jones and Doris Lewis, who are employed by McDonald County Mercantile Bank.
